### 課題英文 1 (ビデオ・レター)

Whatever happens I'm your number one supporter. Please don't ever forget that. So make happiness your goal! Nothing would make me happier than to see you live your life exactly as you want. Sometimes you have to tear up the plan and start again. But things can happen if you really wish for them, no matter how hard they look. There are not so many people who truly understand you. However, there must be somebody who wants to understand you. Good luck!

### 課題英文 3 (スピーチ)

Thank you all. This is a big night for Democrats, isn't it? I just think democracy is great, and it's wonderful to be here with all of you. I wanna thank you. I wanna thank you, New York, for standing with me, and I want to thank you for standing up for change. So I thank all of you, I thank you for phoning your friends, for e-mailing everyone you know, for driving voters to the polls, for making this wonderful victory possible.

### 課題英文 4 (朗読)

It is impossible to capture in words the feelings I have for you. They are the strongest feelings that I have ever had about anything yet when I try to tell you them or try to write them to you the words do not even begin to touch the depths of my feelings. And though I cannot explain the essence of these phenomenal feelings. I can tell you what I feel like when I am with you. When I am with you it is as if I were a bird flying freely in the clear blue sky. When I am with you it is as if I were a flower opening up my petals of life.

### 課題英文 5 (ビデオレター)

I wish there weren't so many miles between us, because I would love to spend more time with you. Even though we're apart, I send my love and share my thoughts with you. I am so proud to have you as my mother, and as I remember your guidance from my childhood days until adulthood, I not only recall the warm memories we have shared, but the love we have always had for one another and the need I have for you in my life. Thank you for always being there when I need you, and for being the wonderful mother you are.
